Early Ewan of Helena was one of the graduates this year from the Flemingsburg High School.

Coroner Joe Wood is taking contracts for mowing lawns. If you want a good job give Jovial Joseph a call.

Mr. William Newell is receiving bids for an iron front for the building occupied by Mr. James Finerty in Market street.

Miss Elizabeth Rawlins of near Flemingsburg is one of a class of five to graduate from Kentucky Wesleyan College at Winchester May 25th.

Grand Representative W. H. Cox left for Barboursville Monday, where he instituted an I. O. O. F. Encampment last night. Thence he goes to Middlesboro, where the Grand Encampment, I. O. O. F., convenes today.

Messrs. James Childs, Linden Woods, E. W. Hutchison and S. R. Harover left yesterday for Middlesboro to attend the Grand Encampment, I. O. O. F. They are Representatives of Pisgah Encampment No. 9 of this city.

Rev. T. P. Buckingham's lecture on "Courtship and Marriage" at the Christian Church was highly instructive and interesting. Solid truth was told based on the divine word of God. Everyone was delighted, refreshed and inspired.

Mr. Frank Miller guessed within 30 of the exact number of the first day's attendance at the World's Fair and for which he received \$10 from The Cincinnati Enquirer and \$10 from The St. Louis Star, having a coupon from each of the papers. Frank is deserving of his good luck.

Mr. I. M. Lane has been awarded the contract for the building of the veranda in front of the Maysville Library in Sutton street. It is to be in the colonial style with heavy columns and gable. That it will be a pretty and up-to-date affair goes without saying, since your Uncle Isaac is to boss the job.

Henry Fields, colored, an employee of I. M. Lane, ran a double ten penny nail in his foot yesterday and required the strength of Mr. Jeff Easton, assisted by a crowbar, to extract the nail. It was protruding through a board and the colored man stepped on it when it pierced his shoe and entered his foot over an inch.

Bargains in Cut Glass Pitchers, Tumblers, Water Bottles, Berry Bowls, Ice Tubs, Salad Bowls, Vinegar Bottles, Salt and Pepper, Flower Vases, Bon Bon, Butter Plates, Mayonnaise Bowls, Sugar and Cream, Milk Pitchers, Individual Salt Tubs, Wine Sets at P. J. MURPHY, the Jeweler.

Mr. William W. Willocks has been secured as Janitor of the Elks New Home. The Elks were fortunate in securing the services of such a competent man as Mr. Willocks for the place. William's long connection with the Business Men's Club of Cincinnati fits him more than any other person for the position—he knows what to do and how to do it.

VINEGAR

Is a very important article of diet in every household and frequently receives less attention than it ought. Vinegar should be pure and healthful, for good Vinegar makes a hundred other things good. Send your order to us and we will give you a PURE APPLE VINEGAR.

TELEPHONE No. 43. G. W. GEISEL, OPPOSITE OPERA-HOUSE.

R & G CORSETS

An R & G Corset not only fits from the first—it fits also to the very last.

There is no "breaking in" to an R & G Corset because you can always find the R & G model that fits you smoothly and snugly from the beginning.

It is also almost true that there is no wearing out to them. R & G Corsets are so cleverly designed, so cunningly "stayed" and made of such materials that they outlast all others and hold their original shape as long as they last. Every pair is absolutely guaranteed.

Medium priced—but excelling the costliest in fit and durability.

No. 431; Price \$1.50—The new double-bust corset especially designed for supporting the bust without restricting the freedom in any way.

No. 827; Price \$1—Straight front, deep hip. Produces most successfully the slender long effect which the new style costumes demand.

Other styles at prices from \$1.00 to \$10.00.

A Couple of Migratory Birds Landed in Jail Here

Detective Bingham of the C. and O., assisted by Policeman Dryden, arrested two brothers, William and Sam Deal, alias Mayham, as they were about to cross the river at this point this morning.

They were accompanied by their wives, and claim Aberdeen as their residence, but from their conversation it is evident that they are from everywhere.

They were placed in Jail to await further developments.

"Where Do All of Your Customers Come From, Anyhow?"

Asked some one in our house last Saturday. Well, "it DID look a little crowded." Many of our customers, however, waited patiently until we found time to wait on them. Why should you not come to the great HOME STORE for your Clothing, Shoes, etc.? No other house in the state shows such a variety of good merchandise. Here you find the choicest productions of the Stein-Bloch Co., L. Adler Bros. & Co., and the greatest line of Young Men's Suits made by Garson-Meyer & Co. To those who wear clothes made by above firms we need say nothing. You who have not worn them are the fellows we are after. Come in and try on a suit. We want to show what kind of clothes you should wear. "DON'T BE AFRAID OF THE PRICE;" they won't cost you more than the ordinary run of clothes. From a side issue our shoe trade has assumed such proportions that it is now one of the chief features in our business. Hanan and Douglas. Do you know of any better?

THE Grand Jury and the Judge of Marion county have united in condemning the Court-house at Lebanon. Wonder what they would say about the Mason county monstrosity?

A GENTLEMAN who has had wide experience in mining propositions, when asked to define the word "bonanza," replied, "A bonanza is a hole in the ground owned by a damned liar."

CINCINNATI is putting on city airs. A movement is afoot to stop boys from throwing rocks at the public lamps. So many have been broken that people have had a hard time finding their way home after dark.

THE Lexington Leader facetiously remarks that one of these days some of these wheelmen who persist in riding their machines on the sidewalks are going to run down a policeman, and then we shall see what we shall see.

WITH the view, perhaps, of inducing visitors to the World's Fair, a St. Louis man has for some months been living on 16 cents a day. This, in any event, is another ratio of 16 to 1; but any one going to the Fair had best increase the standard.

THE fire insurance companies doing business in Kentucky last year received \$3,459,096.73, and paid out for losses \$1,837,685.59, leaving a difference of \$1,622,611.14 for expenses and profit. Looks like the companies ought to be satisfied with that.

BILL THORNE is said to have "jes' laffed" when the Court of Appeals vetoed Governor BECKHAM and his little Beckham county hatchet.

THE French telephone service is furnished by the Government, and it is so bad that a movement is on foot to abolish the fine imposed on subscribers for swearing at the operators.

THE latest edition of fool has just been discovered at Springfield, O. He hit a box of torpedoes with his little hatchet, and they landed him good and strong against a brick wall. It is not stated whether or not there was a Union Label on his coffin.

WHAT the Democrats of Kentucky are saying about one another, remarks The Louisville Post, may so enlighten the people of Kentucky that they will realize that self-government passed away from this state with the assembling of the Music Hall Convention of 1899.

SOME of the Democratic papers appear to be very indignant over the declaration of Chairman ALLIE YOUNG that he intends to run things to suit himself. But, following the precedent of the illustrious Mr. GOEBEL, Mr. YOUNG may well ask, "What are you going to do about it?"

THE Court of Appeals, in an opinion by Judge HOBSON, the whole Court sitting, affirmed the Fayette Circuit Court in the case of WALTER S. DAY and FLOYD DAY, surety, v. GEORGE W. LONG, Chairman of the Republican Campaign Committee. Action was for \$1,010 on a note against DAY for campaign expenses and expense of contest in 1899-1900. DAY was a candidate for Treasurer, and gave his note for the money. LONG lost the note and sued for the money. The Lower Court gave judgment, and the Court of Appeals holds there was a valuable consideration, and sustains the judgment.

COUSIN OF LATE U. S. PRESIDENT ZACHARY TAYLOR.

76 Years of Age, Recommends Vinol for Old People.

Mrs. Sarah J. Windrom of 429 W. Erie street, Chicago, a member of one of the most distinguished families in the country, cousin of Zachary Taylor, 12th President of the U. S., and grandniece of Alexander Hamilton, who signed the Declaration of Independence, writes:

"Vinol is a godsend to old people. I am 76 years old, but I feel active and well today, thanks to the vitalizing effects of Vinol.

"My appetite is all that could be desired. I sleep well, and my mind is clear, and I am interested in the affairs of life as I was fifty years ago.

"When I was young cod liver oil was dispensed in a greasy, unpalatable form, and it fairly gagged me to get it down. Vinol is so different, palatable and nourishing to impoverished blood.

"I feel so much stronger, both mentally and physically, since I used Vinol that I feel it my duty, as well as a pleasure, to recommend Vinol as the finest tonic I ever used in my life."

MRS. SARAH J. WINDROM.

Such words of praise from a person of such high standing must be accepted as unquestionable proof of the superiority of Vinol.

Do you wonder that our Vinol has such a strong hold upon the esteem of doctors and patients? We know of nothing else that will accomplish such wonderful results; and, remember, Vinol is not a patent medicine.

There are hundreds of old people in this vicinity who need just such a strength-maker and tissue-builder as Vinol. Their blood is thin and sluggish—Vinol will enrich and quicken the blood and build up the system. It is so much better than whisky and strong stimulants, which always have a bad after effect and weaken and break down. There is nothing in the world so good for the weak, the aged or the run-down system and to cure a hanging on cold or hacking cough as Vinol, and because we know so well what it will do we are always ready to refund every cent paid for it if it fails to do what we say. Try it on our guarantee. J. C. PECOR, Druggist.

Dr. Arthur Laird of Millersburg will locate at Augusta to practice dentistry.

Edward Kuntz stated in the Covington Police Court that he had married six widows within the past four years and now has a common law wife, never having secured divorce from the other women.

Only twenty-three persons heard Judge James Tarvin of Covington and Congressman Shober of New York speak at Hopkinsville in the interest of W. R. Hearst's candidacy for the Democratic nomination for the Presidency. At the hour appointed for the speaking but four persons were on hand, and only one was for Hearst. By 8:30 o'clock, by the aid of a crier and a bell, the audience of twenty-three was rung up.

All the packets in the trade on this part of the Ohio are making fine time now. Business is also picking up considerably, and if a good stage continues rivermen will be happy.

The new boat James F. Dieterich, bound for the Orinoco river in South America, passed down the river a day or so ago. She has a steel hull, and was built by the James Rees Sons Company of Pittsburgh for the South American trade. This company built a number of boats for the same region. During an insurrection there they were destroyed, and will be replaced by a series of boats with steel hulls. The company will build nine boats of this character.

GOOD SPIRITS.
Good spirits don't all come from Kentucky. Their main source is the liver; and all the fine spirits ever made in the Bluegrass State could not remedy a bad liver or the hundred and one ill effects it produces. You can't have good spirits and a bad liver at the same time. Your liver must be in fine condition if you would feel buoyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower, the greatest of all medicines for the liver and stomach and a certain cure for dyspepsia or indigestion. It has been a favorite household remedy for over thirty-five years. August Flower will make your liver healthy and active and thus insure you a liberal supply of "good spirits." Trial size, 25c; regular bottles, 75c. For sale by Henry W. Ray, Postoffice Drugstore.

Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a Home of Swamp-Root pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Zoa Phora Will Cure and Make You a Well Woman.

TRIAL BOTTLE FREE TO ALL.
Zoa Phora cures permanently and perfectly all diseases, weaknesses and irregularities of the sex, displacements, suppressed and painful periods.

MRS. PAUL BURNS, Parshallville, Mich., writes: "I want all my friends to know the great good Zoa Phora has done for me. I suffered for months with nervous prostration, sick headache and kidney and bladder trouble. After holding consultation, four doctors said I could not live without an operation, and I was too weak to have one. Bunches formed in my bowels and I became so sore that I lost the use of my limbs. The doctor called the bunches tumors. He said that I also had a floating kidney, and would not be any better until I had it sewed in place. After using one bottle of Zoa Phora, I could stand on my feet, and after taking three bottles I could walk around the room, and after the fourth bottle I was able to walk out-of-doors."

Write the Zoa Phora Co., Kalamazoo, Mich., for a free trial bottle and copy of their illustrated medical book, "Dr. Fenger's Advice to Women." The doctor will gladly give free special advice when needed. Zoa Phora is for sale at \$1.00 a bottle by all druggists.

THE CLEVELAND (O.) PLAIN DEALER HAS THIS TO SAY OF BRAHM VAN DEN BERG

Practically unheralded and unknown came Van Den Berg, and, like Caesar, he came, was heard and conquered. Nor is his professional brilliancy of meteoric quality; far from it. It is based upon the true traditions of the art he represents and the qualities of a God-given genius. His playing on Thursday evening was both a revelation and an inspiration. In his exploitation of the master works he ran the entire gamut of schools from Bach and Beethoven to the ultra-modern pyrotechnics of Liszt and Moszkowski. And truth to tell he was to the manor born in all. You read of a temperament that touches with the inspiration of a poet—Van Den Berg has it; of a technique that scorns difficulties and laughs at obstacles—Van Den Berg has it; of intellectuality that holds in abeyance the frenzy of inspiration, and gives logical consistency to inspired thought—Van Den Berg has it. He plays Bach with a modern poetic scholarship that gives to counterpoint the glamour of Chopin. He plays Chopin with subtle charm and mystery that reveals the artistic nature of an improvisator, a minnesinger of modern times. When virtuosity is the vehicle of musical thought he can make his instrument emit luminous sparks. It will be long before one hears such a convincing virtuosity, combined with temperamental refinement as did Van Den Berg give us in the "Valse of Saint-Saens." It was like a flash of inspiration, a glimpse into the holy of holies of true art. I may be enthusiastic in my estimate of his art, but I do not hesitate to place this dapper little artist with the best; small perhaps in stature, but gigantic in his conception of his art. Brahm Van Den Berg will appear at the Washington Opera-house in piano recital Monday, May 23d, 1904. Reserved seats free.

Rev. Dr. Maurice Waller left for Chicago yesterday afternoon, where he will officiate at a wedding.

Mrs. Mae V. Wilson has settled with Auditor's Agent O'Donnell for back taxes. The amount collected was \$42.22.

The Effective Remedy
WASHINGTON, Iowa, April 4, 1908.
I was troubled for over a year with so scanty a flow that it was virtually suppression. A heavy cold superinduced this condition and nothing I could do seemed to help me. The only effective remedy I ever found was Wine of Cardui. Within two weeks I felt the good effects of the medicine and after I had used 18 bottles in all I was as healthy and regular as any woman could wish to be.

My sister used it while expecting to become a mother and found that it made childbirth comparatively easy and after the child was born she found that it helped her to regain her strength.

Jeanne Root
GRAND WORTHY ASSOCIATE, SONS OF TEMPERANCE.

WINE OF CARDUI
Wine of Cardui cures nine out of every ten cases of the disorders of menstruation. These cures are permanent, whether the trouble is complicated or not.
Wine of Cardui cures the sickness of young girls, relieves the weakness of adults, banishes leucorrhoea, headaches, backaches and nervousness and eases the crisis attendant on the change of life.
Thousands of mothers besides Miss Root's sister have found grateful relief from the pains of childbirth and have had a quick and happy recovery from its use. You cannot afford to suffer when \$1.00 bottles are sold by all druggists.
